## Yasamin Rezaei

**Congratulations** to Yasamin for being accepted to the 2021-2023 HASTAC Scholars Program. The HASTAC Scholars Program consists of international graduate and undergraduate students who work across the fields of technology, the arts, the humanities, and the sciences broadly defined.

## Eukene Franco Landa

**Congratulations** to Eukene who will be presenting at the Workshop on Basque Linguistics held at the Deusto University (Bilbao, Basque Country, Spain) on December 17th. This presentation is in honor of her late father, Jon Franco, who was also a linguist, and former organizer of this workshop. Eukene will be participating in a volume dedicated to him. The title of her presentation is, "The falling of the ergative marking in young Basque speakers: first steps of the study." (The picture provided is Eukene and her father).
